The Worrell1000 will be hold in May 2019! Key sailing and Nacra Sailing are happy to pronounce that the Nacra F20 carbon have her own class in this historic race. There are 20 Nacra F20 carbons allowed. To support this historic event, we have a special offer.

The boats will be delivered to the race site boxed you assemble. The down payment and payment schedule will be 15%, 50% and 35%. The deposits will be required early November and will be non-refundable. The boats have to be paid completely before leaving Europe. At this time no charter boats are being offered from Nacra or Key sailing.

More details to follow.
